

**Annette Karmiloff-Smith** *Scienziata straordinaria, brillante, innovativa, instancabile, sempre curiosa e aperta al nuovo e ai giovani, pioniera nello studio dello sviluppo umano tipico e atipico e esponente di fondamentale rilievo della neuropsicologia dello sviluppo e del modello neurocostruttivista, è stata maestra ispiratrice per la psicologia e le scienze della mente e donna coraggiosa e di grande valore umano.*

## **Elenco delle opere dell'autrice conservate nelle sedi della Biblioteca di Psicologia**

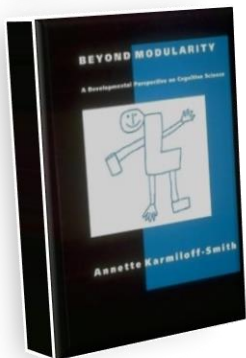

Karmiloff-Smith, A. (1981). *A functional approach to child language: A study of determiners and reference* (Vol. 24). Cambridge University Press.

Biblioteca di Psicologia – Bologna  
Collocazione C 1458 *Inventario 13198*

Levelt, W. J., Mills, A., & Karmiloff-Smith, A. (1981). *Child language research in ESF countries: An inventory*. European science foundation.

Biblioteca di Psicologia – Bologna  
Collocazione SilvCont 8 *Inventario SIL 8*

Karmiloff-Smith, A. (1995). *Beyond modularity: A developmental perspective on cognitive science*. MIT press.

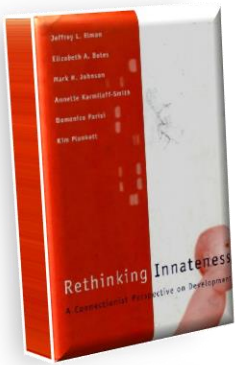

Biblioteca di Psicologia – Bologna  
Collocazione C 993 a *Inventario CNR 654*

Karmiloff-Smith, A., & Peruzzi, A. (1995). *Oltre la mente modulare: una prospettiva evolutiva sulla scienza cognitiva*. Il mulino.

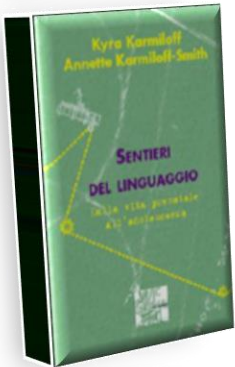

Biblioteca di Psicologia – Bologna  
Collocazione C 993 b *Inventario 6547*

Biblioteca di Psicologia – Cesena  
Collocazione PSICE 155.413 KARMSA *Inventario 3121*
