

IAG Scientific Assembly 2025

Geodesy for a changing environment

RIMINI, 1-5 SEPTEMBER 2025

POSTER SESSION GUIDELINES

All presentations are on-site only. Posters are allocated a specific day and session.

There will be four poster sessions:

- Monday Sept. 1, from 17:30 to 19:00
- Tuesday Sept. 2, from 17:30 to 19:00
- Wednesday Sept. 3, from 16:00 to 17:30
- Thursday Sept. 4, from 17:30 to 19:00

Your day, session, and poster number can be found in the [IAG 2025 website](#).

Poster setup and removal

1. Starting **from 8:15 to 11:00** on the day of your poster presentation, please go to the poster desk where **the staff will be available to provide you with the necessary material** to attach the poster to the board. **All poster presenters must hang their posters in this timeframe.**
2. Each poster board will accommodate **maximum one portrait style (not landscape!) poster** with dimensions not larger than 700mm wide x 1000mm high.
3. We advise you not to laminate your poster, as this will complicate attachment. Also, **materials different from paper might be too heavy or difficult to attach**, avoid them too.
4. Presenters are responsible for their own posters at all times. **All posters should be removed by the end of the poster sessions.** Organisers will not store posters that will not have been removed by then.
5. The poster sessions will be attended by many attendees at the conference and there will be a considerable number of posters in this session. Please, **pay extra attention that your poster is clear, concise and well laid out for maximum impact.**
