

Sponsorship/Exhibition Package

Bologna, 05/02/2022

The International Symposium on Enhanced Electrochemical Capacitors, ISEECap2022, will be held from July 11 to 15 in Bologna, Italy, at DAMSLab (See: <https://eventi.unibo.it/iseecap-2022>).

The organizing committee invites you to participate and sponsor this exciting event.

The series of ISEECap Meetings have a great tradition and unique style of blending fundamental research with practical applications in the field of electrochemical capacitors and related devices. This ISEECap 2022 Meeting will follow the tradition to line up a strong assembly of plenary, keynote and invited speakers to present and discuss such topics. About 200 world-class researchers, technologists and industrial participants, representing the best laboratories in the field, will attend and communicate their latest advances and breakthroughs. Your company will benefit for sure from this major gathering of the community.

To promote your services and products to your peers, potential clients or collaborators, three levels of sponsorship are encouraged with the following marketing and publicity opportunities:

Platinum Package (3,000 €)

- Proper recognition in our brochures, website postings, distribution materials and meeting announcements and displays.
- Corporate insert in the conference attendee bags.
- Two free conference registrations*.

Gold Package (2,000 €)

- Proper recognition in our brochures, website postings, distribution materials and meeting announcements and displays.
- Corporate insert in the conference attendee bags.
- One free conference registration*.

Silver Package (1,000€)

- Proper recognition in our brochures, website postings, distribution materials and meeting announcements and displays.
- Corporate insert in the conference attendee bags.

* Registration includes access to conferences, lunches, coffee-break and gala dinner.

In addition, to have a **display area** (with a table and two chairs) for company promotion throughout the conference duration: 3,000 €.
