

**Are you a student in the Mechanical Engineering for Sustainability or Aerospace Engineering program?**

**Do you want to challenge yourself with a team-working project involving local companies and put your soft skills to the test?**

**Join the UNitech project**

**Where:** University of Bologna, Forlì Campus, via Montaspro 97, Room 1.2

**When:** **June 20, 2025, from 10:00 AM to 5:00 PM**

UNIBO, in collaboration with Randstad Technical, is organizing an orientation day for students of the Mechanical Engineering for Sustainability and Aerospace Engineering courses.

During the event, you will be able to:

- Participate in a **team-working** activity presented by local companies
- Assess your **soft skills** within a work team
- Take part in a **roundtable discussion** to understand how to enhance your skills

**Would you like to confirm your participation?**
