

DAY 1 – 23 June 2026

📍 San Giovanni in Monte Piazza S. Giovanni in Monte, 2	
16.00	Registration (Room Prodi)
17.00	Opening ceremony Opening remarks Lectio Magistralis (Room Prodi)
19.00	Welcome cocktail (Cloister)

DAY 2 – 24 June 2026

📍 Complesso Belmeloro Via Andreatta, 8			
	Room A	Room C	Room D
8.30	SYMPOSIUM 1 Precision Parasitology 	SYMPOSIUM 2 One Health, One Access: integration between human and veterinary medicine for antiparasitic treatments SolPa/SIMET  Oral communications (30')	Oral communications
10.30	Coffee break		
11.00	Oral communications	SYMPOSIUM 3 Next-Gen experimental platforms for Host-Parasite Studies 	SYMPOSIUM 4 VETOQUINOL Innovation in feline ecto parasite prevention and treatment 
13.00	Light lunch		
14.00	SYMPOSIUM 5 Ecology and control of Sand flies: challenges and prospects for public health  Oral communications (30')	SYMPOSIUM 6 The new ESDA guidelines (European Society of Dirofilariosis and Angiostrongylosis)  <i>Sponsored by CEVA</i>	SYMPOSIUM 7 Parasitological diagnosis in Italy CoSP-AMCLI-SolPa 
16.00	Coffee break		
16.15	SYMPOSIUM 8 Thematic session 1 Human leishmaniasis: surveillance and molecular diversity in a One Health framework, SIM-SolPa Thematic session 2 Leishmania parasites: scientific challenges and new perspectives in host-parasite interaction 	Oral communications	Oral communications
19.15	Cocktail <i>Sponsored by Boehringer Ingelheim</i>		
19.45	PARASEATALY		

DAY 3 – 25 June 2026

📍 Complesso Belmeloro Via Andreatta, 8			
	Room A	Room C	Room D
8.30	SYMPOSIUM 9 Interdisciplinary discussion on the management of parasitic and infectious diseases in dogs and cats  <i>Sponsored by Boehringer Ingelheim</i>	SYMPOSIUM 10 Comparative clinical mycology: dialogues between physician and veterinarians on fungal zoonoses and new therapeutic frontiers 	SYMPOSIUM 11 Ticks inside out 
10.30	Coffee break		
11.00	SYMPOSIUM 12 Global Parasitology: gender perspectives and international inclusive cooperation (WIP2.0)  Oral communications (30')	SYMPOSIUM 13 Animals and pathogenic fungi: a hidden reservoir among us?  Oral communications (30')	SYMPOSIUM 18 Boehringer Ingelheim New epidemiological data: an overview of the main parasitic diseases of dogs and cats in Italy  Oral communications (30')
13.00	Light lunch		
14.00	SYMPOSIUM 14 Environmental DNA (eDNA): A new frontier for assessing and monitoring the biodiversity of parasites and vectors? Where are we now? 	SYMPOSIUM 15 One Health insights: zoonotic Blastocystis and Microsporidia across species 	Oral communications
15.30	Coffee break		
16.00	SYMPOSIUM 16 Battista Grassi in the Golden Age of Parasitology: People, Stories, and Discoveries 	SYMPOSIUM 17 Sexual and reproductive health 	Oral communications
18.00	Members assembly and Board of Instructors		
21.00	Social dinner		

DAY 4 – 26 June 2026

📍 Complesso Belmeloro Via Andreatta, 8			
	Room A	Room C	Room D
8.30	Oral communications	SYMPOSIUM 19 Neglected tropical diseases: update on the policy and news on epidemiology 	SYMPOSIUM 20 From Research Node 2 of the PNRR INF-ACT Project to the Italian Network on Arthropod Vectors and Vector-Borne Diseases 
10.30	Coffee break		
11.00	SYMPOSIUM 21 Major parasitic diseases in poultry: current challenges and control strategies 	Oral communications	Oral communications
13.00	Closing ceremony
